## Here's More in 2026

We are offering several **Saturday Workshops** in 2026. Each one is **55 minutes long**. Additionally, each workshop addresses a specific dance concept. Something you use while dancing. Your current skill level won't matter. Why? Because the concepts apply to all dancers at all levels.

***Increase your personal confidence*** and participate in all of them. Here are the dates.

**March 7<sup>th</sup>**

**April 4<sup>th</sup>**

**May 2<sup>nd</sup>**

**June 6<sup>th</sup>**

**There are 2 workshops on each date. The first at 10:00 am and the second at 10:45 am.**

**John & Anna Maria are your instructors.**

The workshops are designed to benefit you. Often, you'll use what you discover in the first workshop right away. Where? At the second workshop or your very next Dance Party. Because of that, it's likely you'll double your confidence. Best of all you'll dance better. To participate register at our reception table. Pre-registration is always preferred.
